NATURAL PLAYSPACES FOR CHILDREN

My Backyard, My World

Theme/Place:

Outdoor play - São Luís / Maranhão

Authors:

Farah Rejenne Corrêa Mendes de Sousa

Context and objective:

Space for 1st Childhood, in contact with nature, providing experiences in motor, cognitive, sensory, expressive, affective, and social areas, through Free Play and the protagonist child, in São Luís, MA, Brazil.

Methodology:

Pipas Brincante and After school (1 year and 6 months to 6 years): Monday to Friday, 3h30min/shift, 2 to 5 times a week, with up to 8 children.

Pipas Pitocos (6 months to 1 year and 5 months) and Quintal do Brincar: on Saturdays, lasting 2 hours, accompanied by parents.

Results:

Since August/22, more than 200 children have already benefited from Quintal do Brincar, Férias Divertidas, and Pipas Brincante and after school, through Free Play and integration with nature, having their rights respected to: explore, live together, play, participate, express themselves, acquire self-knowledge.
